**Dismissed Petition (mailed on April 07, 2011, received April 11, 2011)**

Dear Madam, dear Sir,

My petition was dismissed because the petition was not signed by all three inventors.

In this case it was up to now not possible to reach the two inventors (Martin Kadner and Hans Huschka). They are retired since many years and they moved many years ago to an unknown town. Mr. Huschka was moving to Austria.

Could you please advise how to proceed under these circumstances for a reconsideration of this dismissed petition.

I thank you in advance for your help and understanding.

Yours sincerely,

Dr. Egbert Brandau
